

Silverleaf

Luxury Single Family Homes

by  HOME DYNAMICS.COM

Tucked in the heart of the diamond-studded triangle that includes elegant West Palm Beach, charming Wellington and popular Delray Beach, Silverleaf offers more than resort-style amenities. The neighborhood also enjoys exceptional convenience to the best that central Palm Beach County has to offer.

White-sand beaches are just 8.9 miles from home. Gourmet dining, shopping at the finest retailers or at beach shops, and cultural and recreational opportunities are limitless. I-95 and Florida's Turnpike, that's virtually outside your door, can take you anywhere your heart desires.

Silverleaf's beautifully landscaped entrance welcomes you into a family-friendly neighborhood with features such as a pool and cabana, walking paths and a playground. A private lake, with lake-view homesites, adds another special sparkle.

 Home Dynamics Model Homes

Portions of the community are adjacent to the right-of-way for Florida's Turnpike and homes may be subject to noise generated by vehicle traffic. The anticipated noise levels from traffic on Florida's Turnpike are expected to be mitigated by a concrete wall erected along portions of the west and southwest boundaries of the community.
